CuisinArt Golf Club Fact Sheet

CUISINART GOLF CLUB provides the ultimate golf experience in the Caribbean – a Greg Norman Signature Design 18-Hole Championship Course with breathtaking views and challenging, dramatic holes. Players are greeted by a spectacular view of St. Maarten and the Caribbean Sea at the tee box of the 384-yard starting hole. The overwhelming visual appeal continues with holes 2 and 10 sharing a 16,000-square-foot green that rests along the Anguilla Channel. Large sea grape trees on the left and the Merrywing pond on the right frame the perilous drive on the 423-yard 16th hole that plays into the trade winds and finishes with an elevated green surrounded by water and protected by deep bunkers. The narrowing fairway on the 18th hole ascends forty feet to a narrow green carved out of the native plantings.
